RESPONSE

Mail Stop Amendment
COMMISSIONER FOR PATENTS
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The undersigned recently received a telephone call from Examiner Ponds inquiring about a response to a Notice of Non-Compliant Amendment that he said was mailed on November 23, 2005. After checking our office file copy and docket system, we did not find any record of such Notice and informed Examiner Ponds of same. On February 6, 2006, we received a copy of a Notice of Non-Compliant Amendment that is dated November 23, 2005.

In the Notice the Examiner states that the September 6, 2005 amendment did not provide a complete listing of claims and that each claim has not been provided with the proper status identifier.

According to the Notice, the Examiner has given applicant one month to respond to the Notice as measured from the date of mailing. The response that the Examiner has identified as Non-Compliant was a non-final amendment and the Notice indicates that extensions of time are available under 37 C.F.R. § 1.136(a).

Applicant submits herewith a corrected amendment that includes a complete listing of claims and a proper status identifier for each claim and respectfully submits that the

corrected amendment is fully responsive to the August 11, 2005 Office Action and November 23, 2005 Notice of Non-Compliant Amendment. Applicant further submits that this response is submitted within two days of receiving a copy of the November 23, 2005 Notice of Non-Compliant Amendment, and that this response is timely and that no extension of time, or fee is required.

In the event that the Commissioner determines that an extension of time is required and a fee for such extension is required, the undersigned hereby petitions for any required extension of time and authorizes the Commissioner to charge the Milbank deposit account for any required extension fee. A duplicate of this sheet is enclosed.

Respectfully submitted,
